

The super slim handheld that lets you carry your favorite music anywhere!

Overview

Stay organized and entertained - at home or on the road with the new PEG-TJ35 CLIÉ® handheld. Listen to your favorite tunes on the road with the integrated MP3 audio player and optional Memory Stick PRO™ media. Write letters naturally and Decuma handwriting recognition software matches characters instantly for fast and easy data input. View native Microsoft® Word, Excel and PowerPoint documents, or PDF and HTML files with the Pictel Viewer™ software. The high-resolution color display produces over 65,000 colors and shows your documents and pictures in full detail and color with amazing clarity. The PEG-TJ35 comes bundled with a variety of entertainment and productivity applications to fit both your needs and your lifestyle.
